FSA Board meeting: 18 September 2019

It was chaired by the Food Standards Agency Chair Heather Hancock.

The agenda included discussion on these items:

- an update on our food hypersensitivity work and implementation of the allergen labelling review
- future plans for the UK food and feed labs system
- our approach to uncertainty and risk
- the review and next steps of the campylobacter reduction programme
- a progress update on antimicrobial resistance (AMR)

A full agenda and published papers can be viewed in the Board meeting section of our website.

A video will be available within the next few days.
