Nutritionary The Choice is yours...

Wimpy is committed to improving the health of their customers by promoting the need for proper nutrition. We have compiled some important guidelines for WIMPY patrons, which can help you to make wise food choices both when you are eating out or at home. We are now offering you the choice to make an informed decision, by giving you nutrient information of all the items on our menu. Calorie information correct at time of print and based on standard portions which may vary.

Did you enjoy your meal? If so, why not tell your friends and let them enjoy the experience too. However, if there was any problem at all, please speak to a member of staff before you leave. These menus remain the property of Wimpy GB Ltd at all times. www.wimpy.uk.com

Any substitutes or extra menu products may change the cost of your meal.
