

# FOOD ALERT FOR MILK-PROTEIN-ALLERGIC CONSUMERS

Walkers Squares – Salt & Vinegar flavour  
**Single packs sold individually and in multi-packs**

**Best Before: 16-09-06 onwards**

As part of its salt reduction programme, Walkers has recently altered the flavouring for Salt & Vinegar flavour Squares. This alteration means that this product now contains whey powder rather than lactose.

Unfortunately, through the change period, a small number of packs may have continued to declare lactose rather than whey powder. We are removing these packs from sale and are advising that milk-protein-allergic consumers do not consume individual packs of Salt and Vinegar flavour Squares with best before dates of 16-09-06 onwards.

If the code on your individual pack has a Best Before date of 16-09-06 onwards and you are therefore unable to enjoy this product because you are allergic to milk protein, please return your packets to:
