About this consultation

Enforcement authorities, manufacturers, wholesalers and retailers of food products. This consultation may also be of interest to consumer groups and others with an interest in food and feed related legislation.

Consultation subject

This consultation concerns the proposed Food (Miscellaneous Amendments etc.) Regulations (Northern Ireland) 2018 that will:

1. Draw to the attention of food business operators (FBOs) and enforcement authorities an amendment made to Directive 2001/112/EC relating to fruit juices and similar products by Commission Delegated Regulation (EU) No 1040/2014, and to the requirements of Regulation No 2017/2158 on acrylamide
2. Make other miscellaneous amendments and revocations to several Statutory Rules (SRs) to ensure the accuracy and currency of the statute book in Northern Ireland in relation to food before the UK exits the EU

Consultation purpose

To provide stakeholders with an opportunity to comment on the draft Regulations. The Regulations are based on the preferred option to make all the proposed changes described above in a single statutory rule.
