

EWCB 2022: Appendix 1 - Eating Well

Choosing Better questionnaire

Good morning/afternoon/evening, I am _____ from Ipsos, a market and social research company. We are currently conducting a research study about consumer attitudes and behaviours towards healthier food. We are conducting this research on behalf of the Food Standards Agency (FSA). Your input would be of great value to us. There are no right or wrong answers, and please be assured that the information collected from you will be treated completely confidentially. Your answers will be combined with information from other participants and only the total results will be used for reports that will be provided to the FSA.

The survey will take approximately 20 minutes to complete.

Would you be happy to take part in this research?

1. Yes
2. No

Thank you for agreeing to complete this survey. Before we begin, if you would like to read our privacy policy then you can access it at <insert link>.

I also must draw to your attention that within this survey we ask information about your household and income, just to ensure that we speak to a range of people within Northern Ireland. Are you happy to proceed with this research on this basis?

1. Yes
2. No

I'd also like to inform you that Ipsos is a member of the Market Research Society. All information that you give us will be treated in the strictest confidence and your identity will not be passed on to a third party or connected to your answers in any way.

Before continuing with this survey, I need to check that you are eligible to take part.
