Batch code	All batches
Best before	All best before dates up to and including end of December 2023

Risk statement

Allergen(s): Milk

This product contains milk making it a possible health risk for anyone with an allergy or intolerance to milk or milk constituents.

Action taken by the company

Grape Tree is recalling the above product from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.

Our advice to consumers

If you have bought the above product and have an allergy or intolerance to milk or milk constituents, do not eat it. Instead, return it to the store from where it was purchased for a full refund (with or without a receipt). For more information, please contact info@jg-foods.com or call 01384 278639.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
