

Lidl recalls Mister Choc Filled Chocolate Fingers Hazelnut Crisp as allergenic ingredients are not declared in English

Lidl is recalling Mister Choc Filled Chocolate Fingers Hazelnut Crisp because they contain barley (gluten), wheat (gluten), milk, nuts and soya which are not written in English on the label meaning it is a possible health risk for anyone with an allergy or intolerance to barley, gluten, wheat, milk or milk constituents and/or an allergy to nuts and/or soya.

Product details

Mister Choc Filled Chocolate Fingers Hazelnut Crisp

Pack size	200g
Best before	13 August 2019

Risk statement

This product contains barley (gluten), wheat (gluten), milk, nuts and soya making it a possible health risk for anyone with an allergy or intolerance to barley, gluten, wheat, milk or milk constituents and/or an allergy to nuts and/or soya.

Action taken by the company

Lidl is recalling the above product from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.

Our advice to consumers

If you have bought the above product and have an allergy or intolerance to barley, gluten, wheat, milk or milk constituents and/or an allergy to nuts and/or soya, do not eat it. Instead return it to the store from where it was bought for a full refund.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the

product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
