

# Update: Lidl recalls Duc De Coeur Salted Caramel & Chocolate Tartlets because soya is not emphasised in the ingredients list

Lidl recalls Duc De Coeur Salted Caramel & Chocolate Tartlets because it contains soya, which has not been emphasised (in bold) in the ingredients list. This means the product is a possible health risk for anyone with an allergy to soya.

This allergy alert has been updated to include distribution to Northern Ireland.

## Product details

### Duc De Coeur Salted Caramel & Chocolate Tartlets

Pack size	125g
Best before	All date codes

## Risk statement

### Allergen(s): Soya

This product contains soya making it a possible health risk for anyone with an allergy to soya.

## Action taken by the company

Lidl is recalling the above product from customers and have been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product.

## **About allergy alerts**

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
