Risk statement

Allergen(s): Gluten

This product contains gluten making it a possible health risk for anyone with coeliac disease, and/or an allergy or intolerance to gluten or cereals containing gluten.

Action taken by the company

The WilderKitchen is recalling the above product from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a recall notice to its customers. This notice explains to customers why the product is being recalled and tells them what to do if they have bought the product. Please see the attached notice.

Our advice to consumers

If you have bought the above product and have coeliac disease, and/or an allergy or intolerance to gluten or cereals containing gluten, do not eat it. Instead return it to the store from where it was purchased for a full refund. For more information contact us on 07398 706 812 or email

support@wilderkitchenfood.com

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
