

Safa Food 1 Limited recalls Dolma Spices because of undeclared peanut

Safa Food 1 Limited is recalling Dolma Spices because they contain peanuts which are not mentioned on the label. This means the product is a possible health risk for anyone with an allergy to peanuts.

This alert was initially issued on Friday 14 March 2025. A new point of sale notice was added on Friday 21 March 2025. An updated alert was issued in error on Thursday 20 March 2025.

Product details

Dolma Spices

Pack size	100g
Batch code	210624
Best before	end date: June 2026

Risk statement

Allergen(s): Peanut

This product contains peanuts making it a possible health risk for anyone with an allergy to peanuts.

Action taken by the company

Safa Food 1 Limited is recalling the above product from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.

Our advice to consumers

If you have bought the above product and have an allergy to peanuts, do not eat it. Instead return it to the store from where it was bought for a full refund. For further information, please contact Safa Food 1 on 02039288588 or on sales@safafood.co.uk

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
