Vadouvan Pita Chips

Pack size	150g
Batch code	290525, 300525
Best before	28 May 2025, 29 May 2025, 30 May 2025

Risk statement

Allergen(s): Celery and mustard

This product contains celery and mustard making it a possible health risk for anyone with an allergy to celery or mustard.

Action taken by the company

Ottolenghi is recalling the above product from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.

Our advice to consumers

If you have bought the above product and have an allergy to celery or mustard, do not eat it. Instead return it to the store from where it was bought for a full refund (with or without a receipt).

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the

product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
