

Tesco recalls Tesco Stir Fry Tikka Chicken because of undeclared egg and mustard

Tesco is recalling Tesco Stir Fry Tikka Chicken because of undeclared egg and mustard in the sauce sachet element of the product which is not mentioned on the label. This means the product is a possible health risk for anyone with an allergy or intolerance to egg and/or an allergy to mustard.

Product details

Tesco Stir Fry Tikka Chicken

Pack size	650g
Use by	07 September 2025

Risk statement

Allergen(s): Egg and Mustard

This product contains egg and mustard making it a possible health risk for anyone with an allergy or intolerance to egg and/or an allergy to mustard.

Action taken by the company

Tesco is recalling the above product from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a recall notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product.

Our advice to consumers

If you have bought the above product do not eat it. Instead, return it to any Tesco store for a full refund. No receipt is required. For further enquiries, please visit the Contact page on Tesco's website: [tesco.com/help/contact](https://www.tesco.com/help/contact).

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the

product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
