

Food and You - Secondary Analysis - Wave 1-4

Area of research interest: [Food and You](#)

Study duration: 2017-05-01

Conducted by: NatCen Social Research

We commissioned a series of secondary analysis papers using data from the Food and You survey, undertaken by NatCen Social Research.

These cover:

- Food hypersensitivity
- Food labelling
- Food security

Food and You is our flagship consumer survey. It is a biennial, random probability survey providing information on reported behaviours, attitudes and knowledge relating to food safety and other food-related topics. [Food and You wave one](#) was conducted in 2010, [Food and You wave two](#) in 2012 and [Food and You wave three](#) in 2014.
