

# [The Operational Policy for the approval of meat establishments undertaken by the FSA](#)

Status Open

Date launched 28 June 2018

Closing date 20 September 2018

## **More about this proposal**

### **Consultation target audience**

Slaughterhouses, Cutting Plants, Approved Game Handling Establishments, Food Business Operators (FBO's), Local Authorities, Service Delivery Partners.

### **What is the subject of this consultation?**

We are conducting a revision of the current Operational Policy. Changes have been proposed by both Industry and the FSA on the governance arrangements for decision making and improving transparency in the processes implemented by the FSA.

### **What is the purpose of this consultation?**

To seek views on the revisions made to the policy document to reflect several changes in policy and procedure which have yet to be incorporated since it was last published in August 2015.

### **Consultation document**

[The Operational Policy for the approval of meat establishments undertaken by the FSA](#) (1.73 MB)

### **Comments and views**
