## Actions From Previous Meetings

Index	Action	Due Date	Owner and progress to date
-------	--------	----------	----------------------------

<p>Action 6 –</p> <p>Beef Burgers Served Less Than Thoroughly Cooked: Update (FSA 20/03/08)</p>	<p>To provide update to Board Members on the outcome of the consultation on the proposed revision to the guidance on less than thoroughly cooked burgers and on the additional level of assurance about the triggers, controls, and the ability to monitor and implement them.</p>	<p>Updated March 2022</p>	<p>Rebecca Sudworth</p> <p><b>In Progress:</b> The consultation on the revised guidance for less than thoroughly cooked beef burgers closed on 27 April 2022 and we aim to publish our responses to stakeholder comments shortly. We received comments from 20 stakeholders, some of which were very detailed. We are continuing to work through these responses and will provide a full update to the Board later in the year.</p>
<p>Action 3 –</p> <p>Science Update 2021 (FSA 21/12/06)</p>	<p>To provide a workplan, including timelines for work on laboratory capacity.</p>	<p>Updated March 2022</p>	<p>Rick Mumford</p> <p><b>In Progress:</b> A final recommend model for the future Official Lab (OL) system has been developed internally and the economic cost benefit analysis for the options completed in June. LAs, OLs and OGDs are being engaged with on the potential options to obtain feedback. This has now been approved by FSA EMT and will be brought to the September Board meeting, for consideration.</p>
