

Booths Honey & Spelt Bread recalled because of undeclared allergens

E H Booths & Co Ltd is recalling Booths Honey & Spelt Bread because it contains barley (gluten), lupin and sesame which are not mentioned on the label. This means the product is a possible health risk for anyone with an allergy to lupin and/or sesame and/or an allergy or intolerance to barley (gluten). This supersedes the previous alert for this product issued on 12/10/18.

Product details

Booths Honey & Spelt Bread (labelled as Malted Flake Bloomer Bread on back of pack)	
Pack size	400g
Best before	All dates

Risk statement

Allergen(s): Barley (gluten), lupin and sesame.

This product contains barley (gluten), lupin and sesame making it a possible health risk for anyone with an allergy or intolerance to lupin and/or sesame and/or an allergy or intolerance to barley (gluten).

Action taken by the company

E H Booths & Co Ltd is recalling the above product from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. This notice explains to customers why the product is being recalled and tells them what to do if they have bought the product. Please see the attached notice.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
