

Errata regarding HSVOUCH in the Food and You 2: Wave 4 report

A correction to the data tables originally published on 10 August 2022.

Author: Analytics Unit, Food Standards Agency

Responsible: Joanna Disson, Head of Profession for Social Science

Version: 3

Original date of publication: 10 August 2022

Date of errata: 28 February 2023

In the original Food and You 2: Wave 4 data tables published on 10 August 2022, 42 cases who answered 'Prefer Not To Say' at CHILDAGE, were mistakenly included. This was due to a routing error.

The Wave 4 Key Findings report has now been updated with the correct figures. This affects Chapter 3: Food Security in which the figure for those who receive Healthy Start vouchers has changed by 1%.

Ipsos and the Food Standards Agency apologise for any inconvenience this may have caused.
