

The Card Factory recalls Happy Easter Egg Hunt bag because various allergens are not declared in English

The Card Factory is recalling Happy Easter Egg Hunt bag because it contains milk, peanuts, and soya which are not listed in English on the label. The product also states that it may contain cereals containing gluten, egg, and other nuts. This means the product is a possible health risk for anyone with an allergy to nuts, peanuts and/or soya, and/or an allergy or intolerance to cereals containing gluten, egg and/or milk or milk constituents.

Product details

Happy Easter Egg Hunt bag

Pack size	198g
Best before	end date: January 2024

Risk statement

Allergen(s): Milk, peanuts, soya. It may also contain other cereals containing gluten, egg and nuts.

This product contains milk, peanuts, and soya which are not listed in English on the label. The product also states that it may contain cereals containing gluten, egg and other nuts. This means the product is a possible health risk for anyone with an allergy to nuts, peanuts and/or soya, and/or an allergy or intolerance to cereals containing gluten, egg and/or milk or milk constituents

Action taken by the company

The Card Factory is recalling the above product from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product.

Our advice to consumers

If you have bought the above product and have an allergy to nuts, peanuts and/or soya, and/or an allergy or intolerance to cereals containing gluten, egg and/or milk or milk constituents do not eat

it. Instead, return it to a Card Factory store for a full refund. For further enquiries please contact customerservice@cardfactory.co.uk

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
