Submitting a question

The FSA Board welcomes questions on the papers being considered at each of its meetings.

We are keen to ensure, as far as is practical, that questions are addressed in the discussion at the Board meeting so it is important that queries are kept as concise and focused as possible.

Questions should relate to the Board papers published prior to the meeting. Questions that do not relate to a paper on the FSA Board meeting agenda will not be addressed during the Board meeting but will be responded to separately and in writing.

Questions for the Board meeting will also receive a written reply within 20 working days of the Board meeting. Replies will be published on the relevant FSA Board Meeting page.

You can submit your questions up to 5pm on the Monday before the Board meeting [using this form](). After this date, you will not be able to submit questions and the form will close.
