

# Actions Arising - September 2023 Board Meeting

FSA 23-09-02 Actions Arising from previous FSA Board Meetings.

## Actions Arising – Board Meeting

### From the FSA Board Meeting on 21 June 2023

Index	Action	Due Date	Owner and progress to date
<b>Action 1 -</b> Chief Executive's Report to the Board (FSA 23/06/03)	Katie Pettifer to review reporting of the ABC Programme to the Business Committee to include milestones. This action to be passed to Business Committee.	September 2023	Katie Pettifer  <b>Complete -</b>  Reporting on the ABC programme, including on milestones, to be included in the P&R Report for the Business Committee
<b>Action 2 -</b> Import Controls and the Target Operating Model (TOM) (FSA 23/06/04)	The Board want to be assured that the Trusted Trader Scheme was robust and keen to see food standards and fraud as part of the pilots. The Board wanted to see the measure of success for the pilots and the key principles. Anjali Juneja to provide a paper to the Board by end of 2023.	December 2023	Anjali Juneja  <b>Part complete</b> – a note on the Trusted Trader scheme has been provided to the Board as part of a Friday circulation.  Work continues on the design of the pilots which includes success measures.

<b>Action 3 -</b> Import Controls and the Target Operating Model (TOM) (FSA 23/06/04)	Anjali Juneja to advise on timing of an update to the Board on the Windsor Framework, divergence and any implications for food safety and food standards.	September 2023	Anjali Juneja  <b>Ongoing</b> –the team is working on a paper for early September that provides an update on the Windsor framework as well as divergence.
<b>Action 4 -</b> Annual Chief Scientific Adviser's (CSA) Report (FSA 23/06/05)	Robin May to update the Board in due course, as discussions with other Government departments regarding the Biological Security Strategy developed.	As available.	Robin May  <b>Ongoing</b> - we remain in close contact with CO/Defra/UKHSA about the BSS, including feeding in (via PATH-SAFE team) to the recently funded National Biosurveillance Network.
<b>Action 5 -</b> Annual Chief Scientific Adviser's (CSA) Report (FSA 23/06/05)	FSA Chair and Chief Scientific Adviser to develop a mechanism for clear Board contribution to and oversight of the work of the Science Council.	January 2024	Robin May  <b>Ongoing</b> - we are proposing direct feed-in to SC 'ideas list' after the Board 'Horizon Scanning' meeting in January, as well as on an ad hoc basis (curated via Private Office) when topics with potential suitability for SC arise during other meetings.

<b>Action 6 -</b> Risk Analysis Process and Regulated Products Service – Quarterly Report (FSA 23/06/07)	The Chair noted further thinking was need on how to approach longer-term reform with more radical thinking without distracting this team from addressing their current workload.	As available.	Rebecca Sudworth  <b>Ongoing</b>  We are considering approaches to more fundamental reform, building on the recent review of Novel Foods Regulations. The Board will be updated on early progress in the regular reports on the Regulated Products Service.
<b>Action 7 -</b> Risk Analysis Process and Regulated Products Service – Quarterly Report (FSA 23/06/07)	The Chair to ask ARAC to consider lessons learned from the CBD application and authorisation process to identify any lessons learned for future novel foods.	December 2023	ARAC Secretariat  <b>Ongoing</b> – To be reviewed after September Board.
<b>Action 8 -</b> Review of the Food Advisory Committees (FACs) (FSA 23/06/09)	The Chair asked for the FAC terms of reference to be reviewed to ensure they were fully aligned with the recommendations from the review.	December 2023	FAC Secretariats  <b>Ongoing</b>
