

Open Meeting of the Welsh Food Advisory Committee – 25 October 2023

The session will include presentations from Aberystwyth University's specialists on programmes and projects that support the food system.

The agenda includes

- Dr Rebecca Charnock discussing AberInnovation's support for development and growth
- Dr Catherine Howarth speaking about the oats and grain legumes breeding programme
- An introduction to the Beef Eating Quality programme from Dr Pip Nicholas-Davies
- A look at the Veterinary School and the future of the profession with Professor Darrel Abernethy

A [full agenda](#) can be viewed in the Welsh Food Advisory Committee [section of our website](#).

Anyone with an interest in the work of the Food Standards Agency is invited to attend this meeting to share their views and to participate in an open question and answer session.

You can attend in person or online and submit questions for the committee beforehand by following the instructions below.
