

# Update 1: Aldi recalls Ready Set Cook Teriyaki Beef Stir Fry because of undeclared wheat (gluten)

Aldi is recalling Ready Set Cook Teriyaki Beef Stir Fry because it contains wheat (gluten) which is not mentioned on the label. This means the product is a possible health risk for anyone with coeliac disease, and/or an allergy or intolerance to wheat or gluten. This update provides the product brand details and an update on the use-by date of the products affected. It replaces the original notice.

## Product details

### Ready Set Cook Teriyaki Beef Stir Fry

<b>Pack size</b>	500g
<b>Use by</b>	All dates up to and including 22 October 2023

## Risk statement

**Allergen(s):** Wheat (gluten)

This product contains wheat (gluten) making it a possible health risk for anyone with coeliac disease, and/or an allergy or intolerance to wheat or gluten.

## Action taken by the company

Aldi is recalling the above product from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a recall notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice. PDF

## About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
