

Biona recalls Biona Organic Cashew Nut Butter because of undeclared allergens

Biona is recalling Biona Organic Cashew Nut Butter because it contains almonds (nuts), hazelnuts (nuts) and peanuts which are not mentioned on the label. This means the product is a possible health risk for anyone with an allergy to almonds (nuts), hazelnuts (nuts) and peanuts.

Product details

Biona Organic Cashew Nut Butter

Batch code	E233189
Best before	31 December 2026

Risk statement

Allergen(s): Almonds (nuts), hazelnuts (nuts) and peanuts.

This product contains almonds (nuts), hazelnuts (nuts) and peanuts making it a possible health risk for anyone with an allergy to almonds (nuts), hazelnuts (nuts) and peanuts.

Action taken by the company

Biona is recalling the above product from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product.

Our advice to consumers

If you have bought the above product and have an allergy to almonds (nuts), hazelnuts (nuts) and peanuts, do not eat it. Instead, return it to the store from where you bought it for a full refund. For further information, please contact Biona Customer Service department on 02039413628 or at info@biona.co.uk.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
