

Waitrose recalls Easy to Cook Scottish Salmon En Croute and Easy to Cook Salmon and Sweet Potato Curry because of undeclared allergens

undeclared allergens

Waitrose is recalling Waitrose Easy to Cook Scottish Salmon En Croute with Cheese and Chive Sauce and Waitrose Easy to Cook Salmon and Sweet Potato Curry because they contain milk, mustard, soya and wheat (gluten), which are not mentioned on the label. This means the products are a possible health risk for anyone with coeliac disease, and/or an allergy or intolerance to milk, mustard, soya and wheat or gluten.

Risk statement

Allergen(s): Milk, mustard, soya and wheat (gluten)

These products contain milk, mustard, soya and wheat (gluten) making them a possible health risk for anyone with coeliac disease and/or an allergy or intolerance to milk, mustard, soya, wheat or gluten

Action taken by the company

Waitrose is recalling the above products from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a recall notice to its customers. These notices explain to customers why the products are being recalled and tell them what to do if they have bought the product. Please see the attached notice.

Our advice to consumers

If you have bought the above products and have coeliac disease, and/or an allergy or intolerance to milk, mustard, soya and/or wheat (gluten), do not eat them. Instead return them to the store from where they were purchased for a full refund. For more information contact Waitrose Customer Care 0800 188 884, Option 4.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
