

Tesco recalls Tesco Free From Breadcrumbs because of undeclared wheat (gluten)

Tesco is recalling Tesco Free From Breadcrumbs because they contain wheat (gluten) which is not mentioned on the label. This means the product is a possible health risk for anyone with an allergy or intolerance to wheat or gluten, or with coeliac disease.

This alert was issued on 15th October 2025 and updated on 16th October 2025 with an update to the Best Before date.

Product details

Tesco Free From Breadcrumbs

Pack size	170g
Batch code	All batch codes
Best before	All dates codes up to and including Best Before End January 2027

Risk statement

Allergen(s): Wheat (Gluten)

This product contains wheat (gluten) making it a possible health risk for anyone with an allergy or intolerance to wheat or gluten, or with coeliac disease.

Action taken by the company

Tesco is recalling the above product from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a recall notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product.

Our advice to consumers

If you have bought the above product and have an allergy or intolerance to wheat or gluten, or coeliac disease do not eat it. Instead, return it to any Tesco store for a full refund. No receipt is required. For more information contact Tesco Customer Services at tesco.com/help/contact

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
