

Nutrilean recalls Chocolate Brownie Overnight Oats due to the presence of *Listeria monocytogenes*

Nutrilean is recalling Chocolate Brownie Overnight Oats because of the presence of *Listeria monocytogenes*.

Product details

Nutrilean Chocolate Brownie Overnight Oats

Pack size	180g
Use by	25 November 2025

Risk statement

The presence of *Listeria monocytogenes* in the product listed above.

Symptoms caused by *Listeria monocytogenes* can be similar to flu and include high temperature, muscle ache or pain, chills, feeling or being sick and diarrhoea. However, in rare cases, the infection can be more severe, causing serious complications, such as meningitis.

Some people are more vulnerable to listeria infections, including those over 65 years of age, pregnant women and their unborn babies, babies less than one month old and people with weakened immune systems.

Action taken by the company

Nutrilean is recalling the above product. Point of sale notices will be displayed in all retail stores that are selling the product. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice. Food Safety Alert

Our advice to consumers

If you have bought the above product, do not eat it. Instead, return it to where you bought it from for a full refund.

About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). The FSA issues Product Recall Information Notices to let consumers and local authorities know about problems associated with food. In some cases, a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to be taken on behalf of consumers.
