| Use by    | 14 February 2026 |

## Risk statement

### Allergen(s): Milk

This product contains milk making it a possible health risk for anyone an allergy or intolerance to milk or milk constituents.

## Action taken by the company

Co-op is recalling the above product from customers and has contacted the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice.

## Our advice to consumers

If you have bought the above product and have an allergy or intolerance to milk or milk constituents, do not eat it. Instead return it to your local store for a full refund or if purchased online, you can receive a refund by calling 0330 041 7737. For further information, contact Co-op customer service on 0800 0686 727 or email via <https://www.coop.co.uk/contact-us/product-issues-or-returns>

## **About allergy alerts**

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
