

# Booths recalls Traditional Coleslaw because the product may contain plastic pieces

Booths is recalling Traditional Coleslaw because the product may contain pieces of white plastic. The presence of plastic makes this product unsafe to eat.

## Product details

Booths Traditional Coleslaw

Pack size 225g & 425g

Batch code 01241

Use by 15 September 2019

No other Booths products are known to be affected.

## Risk statement

The presence of plastic makes this product unsafe to eat.

## Action taken by the company

Booths is recalling the above product. Point of sale notices will be displayed in all retail stores that are selling this product. These notices explain to customers why the product is being recalled and tell them what to do if they have bought the product. Please see the attached notice. ## Our advice to consumers

If you have bought any of the above product do not eat it. Instead, return it to the store from where it was bought for a full refund.

## About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). The FSA issues Product Withdrawal Information Notices and Product Recall Information Notices to let consumers and local authorities know about problems associated with food. In some cases, a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to

be taken on behalf of consumers.
