

Contracts and tenders

Our current and completed tenders and our existing contracts.

Browse tendering opportunities through the [Health Family Single eCommercial System](#) (Atamis). By registering on the Health Family Single eCommercial System you can express an interest in a tender, access detailed specifications and provide a response on behalf of your organisation.

To help reduce environmental waste and to help organisations create a successful and compliant tender, we only accept electronic tender responses submitted through our e-tendering system.

Information on current and completed tenders is also available on the following sites:

- [Find A Tender](#), which is the new UK e-notification service where procurement notices are published
- [Contract finder](#) free online facility for finding public sector contracts and sub-contracting opportunities over £25k

If you require additional information on any of our contracts listed, please email our commercial team with a summary of your request and your contact details, we will try to provide a response to you within two working days.

Terms and conditions

[Our terms and conditions for contracts and tenders](#). Suppliers should always refer to the specific terms and conditions issued as part of a procurement tender exercise.

These terms and conditions are applied to procurements below £10,000 or where no specific terms and conditions have been issued.
