

# Cakes by Rebecca Limited recalls various products due to allergens not mentioned on the label

Cakes by Rebecca Limited is recalling all products because they contain various allergens which are not mentioned on the label or have not been emphasised correctly. This means the products are a possible health risk for anyone with an allergy to nuts, peanuts, and soya, or an allergy or intolerance to cereals containing gluten, egg, milk or milk constituents or a sensitivity to sulphur dioxide and/or sulphites.

## **Risk statement**

**Allergen(s):** Cereals containing gluten, nuts, peanuts, egg, milk, sulphur dioxides and soya.

These products contain cereals containing gluten, nuts, peanuts, egg, milk, sulphur dioxides and soya, making them a possible health risk for anyone with an allergy or intolerance to cereals containing gluten, nuts, peanuts, egg, milk, sulphur dioxides and soya.

## **Action taken by the company**

Cakes by Rebecca Limited is recalling all products (Annex A) from customers and has been advised to contact the relevant allergy support organisations, which will tell their members about the recall. The company has also issued a point-of-sale notice to its customers. These notices explain to customers why the products are being recalled and tell them what to do if they have bought the products. Please see the attached notice.

## **Our advice to consumers**

If you have bought any of the above products and have an allergy or intolerance to cereals containing gluten, nuts, peanuts, egg, milk, sulphur dioxides and soya, do not eat them. Instead return them to the store from where they were bought for a full refund.

### **About allergy alerts**

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
