

Our approach to managing the interests of its external scientific advisers

Status: Closed

Date launched: 25 September 2017

Closing date: 18 December 2017

This document has been developed to meet a recommendation of the “Triennial review of six FSA Scientific Advisory Committees” (2016).

About this consultation

Who will this consultation be of most interest to?

People who act as external scientific advisers to the FSA, as members of Science Advisory Committees, external appraisers or in other specialist advisory roles, and people with an interest in this work.

Subject of this consultation

Updated guidance on managing interests and any conflicts of interest for the FSA’s external scientific advisers. This document has been developed to meet a recommendation of the “Triennial review of six FSA Scientific Advisory Committees” (2016).

Purpose of this consultation

To seek stakeholders’ comments and views on the updated approach and guidance, including on its effectiveness, clarity and whether the measures specified are proportionate to the risks.

Publication of response summary

Within three months of a consultation ending we aim to publish a summary of responses received and provide a link to it from this page.

In accordance with the FSA principle of openness we shall keep a copy of the completed consultation and responses, to be made available to the public on request. The summary of

responses may include personal data, such as your full name. Disclosure of any other personal data would be made only upon request for the full consultation responses. If you do not want this information to be released, please complete and return the Publication of Personal Data Form. Return of this form does not mean that we will treat your response to the consultation as confidential, just your personal data.
