

# National measures in England on the enforcement of gluten labelling

Status: Closed

Date launched: 25 November 2016

Closing date: 22 May 2016

The aim is to ensure consumers who avoid gluten for medical reasons are not misled or confused about gluten claims; and to promote greater consistency around these claims.

#### About this consultation

#### Consultation target audience

Food manufactures, consumer organisations and food business operators involved in the placing on the market of 'gluten-free' foods including importers, distributors, wholesalers and retailers, plus enforcement authorities.

#### Subject of this consultation

A proposed regulation – Gluten in Food (Information for Consumers) (England) Regulations 2014, to allow the enforcement of the Commission Implementing Regulation No. 828/2014 which contains rules on providing information to consumers on the absence or reduced presence of gluten in foods.

#### Purpose of this consultation

To seek stakeholders' comments and views on the proposed regulations, which will introduce specific enforcement measures in England relating to the European Union rules on 'gluten-free' foods, and the associated Impact Assessment.
