

Accessibility statement for the Data catalog

This accessibility statement applies to the Data catalog data.food.gov.uk.

This website is run by the Food Standards Agency. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand. [AbilityNet](#) has advice on making your device easier to use if you have a disability.

How accessible this website is

We know some older parts of this website are not fully accessible.

You can see a full list of any issues we currently know about in the non-accessible content section of this statement.
