Our advice to consumers

If you have bought any of the above product, please do not consume them. Instead, return the packaging to the store from where it was bought for a full refund. Alternatively, take a photo of the packaging which shows the batch code and send this with your name, address and contact details to us via www.birdseye.co.uk/contact-us. Other options are also listed in the Point of Sale notice attached.

About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). The FSA issues Product Withdrawal Information Notices and Product Recall Information Notices

to let consumers and local authorities know about problems associated with food. In some cases, a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to be taken on behalf of consumers.
