Our advice to consumers

If you have bought the above product and it is from one of the affected batches, do not feed it to your baby. Please contact the UK SMA Careline on 0800 081 8180. They will arrange a full refund and be able to answer any questions you might have.

About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). The FSA issues Product Withdrawal Information Notices and Product Recall Information Notices to let consumers and local authorities know about problems associated with food. In some cases,

a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to be taken on behalf of consumers.
