

Qualitative research into the consumption of food with expired 'use by' dates

Research programme [Research projects -](#)

Study duration March 2021 to April 2021

Project status Completed

Authors Ipsos MORI

Date published August 2021

DOI <https://doi.org/10.46756/sci.fsa.qfy700>

This report details the findings from a rapid evidence review and primary qualitative research with thirty participants from England, Wales and Northern Ireland. During the primary research, participants took part in two depth interviews and an app-based diary between the 22nd March and the 4th April 2021 designed to explore the reasons why they consume food past the UBD.
