

Waitrose & Partners recalls Waitrose Belgian Dark Chocolate with Raisins and Almonds because of undeclared hazelnuts (nuts)

Waitrose & Partners is recalling Waitrose Belgian Dark Chocolate with Raisins and Almonds because some packs contain hazelnuts (nuts) which are not mentioned on the label. This means the product is a possible health risk for anyone with an allergy to hazelnuts (nuts). Due to a packaging error, some packs contain Waitrose Belgian Dark Chocolate with Hazelnuts instead.

Our advice to consumers

If you have bought the above product and have an allergy to hazelnuts (nuts), do not eat it. Instead, return it to the store from where it was bought for a full refund.

About allergy alerts

Sometimes there will be a problem with a food product that means it should not be sold. Then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). Sometimes foods have to be withdrawn or recalled if there is a risk to consumers because the allergy labelling is missing or incorrect or if there is any other food allergy risk. When there is a food allergy risk, the FSA will issue an Allergy Alert.
