

# FSA Board Meetings

We are a non-Ministerial government department so we are governed by a Board, rather than directly by Ministers.

Our Board is chaired by [Professor Susan Jebb](#) and has [up to 12 members](#). They are responsible for the overall strategic direction of our organisation.

As transparency is a guiding principle for the FSA and key to maintaining public confidence, you are able to watch our board meetings.

## Submit a question to the FSA Board

The FSA Board welcomes questions on the discussions held at each of its meetings.

We are interested in receiving questions rather than comments and would advise that queries are kept as concise and focused as possible.

You can email questions to [board.sec@food.gov.uk](mailto:board.sec@food.gov.uk) up to midday on the day before a meeting.

Questions received before the deadline for papers on the FSA Board meeting agenda will be read out at the start of the meeting. The Board and Executive will then have the opportunity to address them as part of the relevant discussions.

Questions that do not relate to a paper on the FSA Board meeting agenda will receive a written reply within 14 working days, which will then be published on the relevant FSA Board Meeting page.

Questions received after the deadline will receive a written reply within 14 working days, which will then be published on the relevant FSA Board Meeting page.

We do not take questions for the Business Committee.
