## Background

The Consumer Insights tracker is a monthly survey commissioned by the Food Standards Agency (FSA). Between April 2020 and June 2023, the Consumer Insights Tracker was administered by Ipsos UK. YouGov were appointed as the new supplier of the Consumer Insights Tracker from July 2023.

This webpage contains historical data collected by Ipsos UK. Monthly bulletins dating back to April 2022 can be found in the next section. Monthly data tables are available to download via the [FSA's data catalogue](#).

Due to the methodological differences between the two suppliers, data collected from Ipsos (pre-June 2023) and YouGov (July 2023 onwards) should not be directly compared.
