Risk statement

The possible presence of Salmonella in the products listed above. Symptoms caused by Salmonella usually include fever, diarrhoea and abdominal cramps.

Action taken by the company

Strauss Israel is recalling the above products. Point of sale notices will be displayed in retail stores that are selling these products. These notices explain to customers why the products are being recalled and tell customers what to do if they have bought the products. Please see the attached notice.

Our advice to consumers

If you have bought any of the above products do not eat them. Instead, return them to the store from where they were bought for a full refund. Any customers with queries or concerns can contact recall@drumstickproducts.co.uk.

About product recalls and withdrawals

If there is a problem with a food product that means it should not be sold, then it might be 'withdrawn' (taken off the shelves) or 'recalled' (when customers are asked to return the product). The FSA issues Product Recall Information Notices to let consumers and local authorities know about problems associated with food. In some cases, a 'Food Alert for Action' is issued. This provides local authorities with details of specific action to be taken on behalf of consumers.
