About this consultation

This consultation is of interest to the pet food industry, Local Authorities and Food Business Operators (FBOs).

Consultation subject

Proposals to allow, under certain criteria to ensure strict separation, the commercial production of pet food from animal by-products (ABPs) in businesses also producing food for human consumption.

Consultation purpose

To seek views on the proposal to allow commercial production of pet food in businesses also producing food for human consumption under certain conditions including meeting strict separation criteria. All comments and views should be sent to
