Consultation target audience

Businesses that manufacture, import, wholesale or retail, plastic and /or recycled plastic materials and articles intended to come into contact with food; and/or food contact varnishes and coatings.

Port health and local enforcement authorities, consumers and other interested stakeholders who may have an interest in the policy and legislation on food contact materials.

Consultation subject

The latest amendment will provide enforcement authorities with the necessary powers for the execution and enforcement of the provisions of three European Regulations.

The proposed Materials and Articles in Contact with Food (England) (Amendment) Regulations 2018 will provide enforcement authorities with the necessary powers for the execution and enforcement, in England, of:

- Commission Regulations (EU) No. 2016/1416 (“the revised Plastics Regulation”) amending Commission Regulation (EU) No. 10/2011 (“the Plastics Regulation”) on plastic materials and articles intended to come into contact with food
- Commission Regulation (EU) No. 2018/213 on the use of bisphenol A in varnishes and coatings intended to come into contact with food (“the BPA Regulation”)
- Commission Regulation (EC) No. 282/2008 on recycled plastic materials intended to come into contact with food (“the Recycling Regulation”)

Consultation purpose

To seek comments and general feedback from industry, port health authorities, enforcement authorities, consumers and other interested stakeholders on the proposed Materials and Articles in Contact with Food (England) (Amendment) Regulations 2018, and on the associated Impact

Assessment.

Publication of response summary

Within three months of a consultation ending we aim to publish a summary of responses received and provide a link to it from this page.

You can find information on how we handle data provided in response to consultations in our [Consultations privacy notice](#).

Further information

This consultation has been prepared in accordance with [HM Government Consultation Principles](#). If an Impact Assessment has been produced, this is included in the consultation documents. If no Impact Assessment has been provided, the reason will be given in the consultation document.
