Nestlé UK is voluntarily recalling the above KITKAT Original Milk Chocolate Bites Pouch Bag with the specific batch code **70720457V2**. This action is being taken as it has come to our attention that this batch has been incorrectly packed and contains Peanut Butter Bites.

Although these packs are labelled with “may contain **peanut** and **nuts**” there is a risk to anyone with a nut or peanut allergy who may consume their contents without realising. We are therefore making this recall as a precaution. The products are otherwise safe to consume and this does not affect any other KITKAT products.

The Batch Code **70720457V2** can be found on the back of the wrapper.

Any consumers who have purchased the above KITKAT Original Milk Chocolate Bites Pouch Bag with batch code **70720457V2** are advised not to eat the product, dispose of the contents, and send the empty pack with your name and address for a full refund to:
