Question 2. Do you agree that the proposed changes to the food standards intervention rating scheme provide DCs with the ability to deploy current resources more effectively by improving the way in which the levels of risk and compliance associated with a business are assessed? If not, why not? (Please specify any aspects of the new model which require further consideration, and why).

Question 3. Do you agree that the proposed frequencies for official controls, specified in the decision matrix, within the new food standards intervention rating scheme are appropriate based on the levels of risk and compliance associated with the business? If not, please identify any concerns you have with the proposed frequencies.
