Rebecca Sudworth Paused due to Covid-19 Public consultation on the updated guidance has been delayed due to the Covid-19 pandemic. Key stakeholders who use the guidance, including local authorities and food businesses, are unlikely to be able to respond to a consultation during these unprecedented times. The position will be regularly reviewed, and a consultation launched when appropriate. Work on triggers to monitor and provide assurances that controls are being applied effectively has also been delayed due the COVID-19 pandemic and its effect on the hospitality industry. Work will begin again as resources become available.
