

ACTIONS ARISING

Summary of Actions Arising from 21 June 2017			
Index	Action	Due date	Owner and Progress to date
21 June 2017 FSA 17/06/09 Performance and Resources Update	The Chair asked that the Committee's concerns that we were not leveraging our work with industry in this area enough, and that we were being too lenient on incorrect labelling, should be addressed in the paper to come to the September 2017 Business Committee on the Efficacy of Recalls Project.	September 2017	Acting Chief Operating Officer
21 June 2017 FSA 17/06/09 Performance and Resources Update	Jason Feeney agreed to come back to the Committee with an explanation as to why more premises dealing in sheep and goats had less than 98% product compliance in comparison with premises dealing in cattle and pigs.		Acting Chief Operating Officer
21 June 2017 FSA 17/06/09 Performance and Resources Update	In response to the Committee's concerns, the Chair asked for a paper for the September 2017 Business Committee looking at particular issues of welfare non-compliance in the	September 2017	Acting Chief Operating Officer Completed. Information included in Animal Welfare Update for September 2017 Board meeting.

	poultry sector, where the instances of non-compliance were occurring and why, as well as the corrective action taken.		
21 June 2017 FSA 17/06/09 Performance and Resources Update	In response to Ram Gidoomal's question about FSA diversity and sustainability data in comparison to the rest of the Civil Service, the Chair requested the information be shared with the Committee prior to the next meeting.	Before September 2017	Head of Planning, Performance and Change Completed. Information included in Performance & Resources report for September 2017 meeting.

Outstanding Actions from Previous Business Committee Meetings

Index	Action	Due date	Progress to date
15 March 2017 FSA 17/03/11 FSA Priorities and Budget for 2017/18	Steve Wearne agreed to provide the Committee with a note detailing the distribution and timescales of spend on science and evidence.	September 2017	Director of Policy Completed. This note will be incorporated into a broader paper on science assurance for the Business Committee meeting in September 2017.
21 September 2016 FSA 16/09/10 Performance and Resources Update	Catherine agreed that we would look at presenting more of the data in dedicated reports for Wales and Northern Ireland but continue to flag country differences	September 2017	Head of Planning, Performance and Change Work is underway to establish what public health outcome datasets we have, and what

	by exception in the overall Business Committee report.		datasets we can obtain specific to Northern Ireland and Wales. Whilst the Performance and Resources report will present a unified across the 3 countries, the country-specific data will be made available to the WFAC and NIFAC Chairs.
