| How will you use ILT (Information and Learning<br>Technology) in this lesson?<br>Use of PowerPoint to outline the course.<br>Intranet site to show the students the safe methods.   | <ul> <li>How are you addressing health and safety in this lesson to ensure learners have a safe learning environment?</li> <li>Chairs arranged correctly, door closed and any obstacles from walkway removed.</li> <li>All learners will have been given an health and safety talk in induction week to include fire evacuation information.</li> <li>Familiarisation of the class profile will ensure any specific individual needs will be catered for.</li> </ul>  |
|---|---|
| How is ECM (Every Child Matters) addressed in this lesson?  | How will the Additional Support Assistant (ASA) assist the learners in this lesson?   |
| <ul> <li>Enjoying and achieving – the learners will take ownership of the lesson through practical tasks and will understand and be able to demonstrate their understanding of the aims of the lesson.</li> <li>Making a positive contribution – see above.</li> <li>Achieving economic wellbeing – the understanding of the topics covered will give learners an opportunity to develop these skills in a chef role in a catering establishment.</li> </ul>                          | <ul> <li>Group support: ASA will be familiar with the class profile and will focus on the individual needs of the group moving between learners and assisting where needed.</li> <li>ASA will also take an active role in group tasks facilitating participation.</li> <li>One to one support: A detailed assessment of each learner's needs will be on file and read prior to support commencing. Individual learners' needs will be discussed with additional support team and tutor.</li> <li>Where required, adapted resources will be provided by tutor/ASA e.g. large print handouts/handouts on coloured paper etc.</li> </ul> |
| How will you promote equality and diversity during this<br>lesson?<br>All learning styles will be met through the variation of teaching<br>styles VAK (visual, audio, kinaesthetic) and the use of ILT<br>(Information and Learning Technology). All learners treated<br>equally and fairly, no learner to be 'singled out'.<br>All learners will be asked questions and encouraged to<br>participate in discussions.<br>Group will mix usual friendship groups/cultural backgrounds. | How have you differentiated for learners – do any learners require<br>specific resources or support?<br>Questions at different levels.<br>Differentiation of tasks – extension tasks for more able learners.<br>Group pairing to enable the learners to support one another.<br>Members of the group who want to gain more information after the class –<br>could direct them to the FSA website <u>food.gov.uk</u>   |

## Blue text: essential knowledge for a Level 1 learner (for this lesson)

Green text: bank of learning activities (for other lessons) available for you to choose depending on your learners' needs and teaching time available
