<p><b>How will you use ILT (Information and Learning Technology) in this lesson?</b></p> <p>Use of PowerPoint to outline the course. Intranet site to show the student the safe methods.</p>	<p><b>How are you addressing health and safety in this lesson to ensure learners have a safe learning environment?</b></p> <p>Chairs arranged correctly, door closed and any obstacles from walkway removed. All learners will have been given an health and safety talk in induction week to include fire evacuation information. Familiarisation of the class profile will ensure any specific individual needs will be catered for.</p>
<p><b>How is ECM (Every Child Matters) addressed in this lesson?</b></p> <p><b>Enjoying and achieving</b> – the learners will take ownership of the lesson through practical tasks and will understand and be able to demonstrate their understanding of the aims of the lesson. <b>Making a positive contribution</b> – see above. <b>Achieving economic wellbeing</b> – the understanding of the topics covered will give learners an opportunity to develop these skills in a chef role in a catering establishment.</p>	<p><b>How will the Additional Support Assistant (ASA) assist the learners in this lesson?</b></p> <p><b>Group support:</b> Additional support assistant will be familiar with the class profile and will focus on the individual needs of the group moving between learners and assisting where needed. ASA will also take an active role in group tasks facilitating participation. <b>One to one support:</b> A detailed assessment of each learner's needs will be on file and read prior to support commencing. Individual learners' needs will be discussed with additional support team and tutor. Where required, adapted resources will be provided by tutor/ASA e.g. large print handouts/handouts on coloured paper etc.</p>
<p><b>How will you promote equality and diversity during this lesson?</b></p> <p>All learning styles will be met through the variation of teaching styles VAK (visual, audio, kinaesthetic) and the use of ILT (Information and Learning Technology). All learners treated equally and fairly, no learner to be 'singled out'. All learners will be asked questions and encouraged to participate in discussions. Group will mix usual friendship groups/cultural backgrounds.</p>	<p><b>How have you differentiated for learners – do any learners require specific resources or support?</b></p> <p>Questions at different levels. Differentiation of tasks – extension tasks for more able learners. Group pairing to enable the learners to support one another. Members of the group who want to gain more information after the class – could direct them to the FSA website <a href="http://food.gov.uk">food.gov.uk</a></p>
